PERSONAL PROJECTS

Jay Bakery

Jay Bakery's landing page shows the products, price, location, and services offered by them.

BACKGROUND GRADIENT

This color gradient specifies a range of position-dependent colors. The colors produced by a gradient vary continuously with position, producing smooth color transitions

TODO APP

ToDo App is designed to keep track and maintain our day-to-day tasks or list everything that we have to do.
It's helpful in planning our daily schedules. We can add more tasks at any time and delete a task that is completed.

LearnCode

LearnCode is designed to allow people to learn React(using Sritpe API for payment of Courses).

Robo App

Roboapp is a robot app, where robots are generated with an API.

Dashboard

Dashboard(using Html, Css and Javascript).
